ROMAN OLD TECHNIQUE

Cut and laid in the ancient method — irregular tesserae, the surface left as the stone falls

CUSTOM DESIGN

Drawn to your own artwork or brief rather than taken from the catalogue

What the rate carries, and what it does not.

INCLUDED IN THE RATE

- ◇ Design development and the cutting drawing
- ◇ Master sketch and a rendering in your own space
- ◇ Hand-cutting and setting at the bench
- ◇ Mesh backing, numbered panels and a setting-out key
- ◇ Crating and insured worldwide shipping
- ◇ Spare tesserae from the same batch

NOT INCLUDED

- ◇ Installation — the drawings and guide are supplied, the fitting is local
- ◇ Waterproofing, adhesive and grout
- ◇ Preparation of the wall or floor, and making good
- ◇ Duties and local taxes where they apply

HOW A RATE IS BUILT

The category sets the base
\$323 sheets · \$808 abstract, animals, geometric and patterns · \$862 landscape, nautical, flowers, birds, and the rest of the catalogue · \$915 borders · \$969 portrait and religious

The technique adds to it
Polished +20%. The Roman old technique +40%

Custom design adds 30%
Where the piece is drawn to your own artwork rather than taken from the catalogue

Shipping is in the rate
Crated, insured and delivered worldwide. Deduct **\$100 per m²** where you arrange your own freight

Rates are quoted against an approved drawing and hold for the commission — there is no square-metre creep once the drawing is signed off. A fixed quotation follows the master sketch, at no cost and with no obligation.
